

Official announcement

Dear Affiliate Bit World Center; today we count on more than 350 thousand registered of this family that does not stop to grow at a fast pace in more than 90 countries world-wide level; we are sure that we are treading the right path, breaking record records every day. Through a board that is part of the corporate Bit World Center, along with its team of professional traders of this world financial market; we decided to implement improvements in our system; always aiming at sustainability and aiming for durability for years and years in the market; ensuring yes a strong financial health for a long life Bit World Center; affirming to all affiliates what the company has been doing for more than 6 months; paying everyone and everything quickly and effectively. We scored these improvements.

(3% increase in daily payment)

2.5% on the Cash Out bonus from Monday through Friday; thus taking out Saturday and Sunday knowing that operations in the financial market these days is less profitable; bad with high profits on the weekdays we increased from 2.2% to 2.5% per day; generating greater comfort for all.

(Activation of accounts with e-money points)

Release of the activation of the first register with its balance in the backoff; and can activate packages of \$ 25 to \$ 12,800 from new users with their balance in network bonuses.

Note: Upgrade, Renewal; Tuition
Only with bitcoins

A strong cash flow remains where the company always strengthens its banks and its operations in traders.

Tiktis implantation system; knowing of the explosive Bit World Center growth around the world; and targets more than 1 million users in the next 3 months; we are improving our support with training of individuals contracted to the top leaders of the countries; and with an integrated automation system for occurrences and quick solutions for better speed across the network.

(Bit World Center office)

Opening of physical offices in each country that we are; where it will generate credibility and confidence for all our investors; because the company will be present all over the world with physical affiliates with name and address Bit World Center.

We officially announce the Bit World Center event with award deliveries and recognition of the top qualified career plan leaders; this will happen in September with limited spaces for 20,000 people and will take place in the country of Nigeria in Africa; ticket for sale with advance promotional price on your backoff.

(automatic withdrawal in bitcoin wallet)

as knowledge of all of us in the global enterprise explosion; knowing of the difficulty of the agility of the payments of the affiliates that are realized daily and with term of 48 hours for the payment; with this congestion of the looting of many affiliates so slowing the realization of them, but knowing of this commitment and responsibility that we are already more than 6 months paying everything and everyone; we are working tirelessly together with our programming team for automation tools for our withdrawals; this will allow us to speed and efficiency in this action with the system in automatic.

(Change of lives)

We are pleased with what is already happening in the lives of many at Bit World Center; But we are even happier for everything to come and will happen in your future; with your feet on the ground and God in the heart Bit World Center is already and always will be the number 1 in the world and with that reference of success in this billionaire market of cryptocurrency.

We thank and congratulate everyone who is part of this family; and we know that it is only the beginning of this victory of us all; we see you on top of this company; with the best results ever seen in this market.
